- A huge thank you to all those who helped, volunteered, worked and donated to our 4th annual Communities Kickin Cancer. It was a huge success and we were thrilled with the results! Thank you to the young men and women who played two great games. We are so proud of the job you do to bring awareness of this disease. You have no idea what it means to witness you acknowledging your loved ones! Words cannot express our gratitude to Melanie Vilardi and Orchard Vali. Your support and generosity throughout the many years has been so appreciated.

Without you, and your donations, Sports Booster would not be where it is today. Thank you so very much!! For the 2018 Communities Kickin' Cancer we will be donating to the Upstate Golisano Children's Hospital a total of \$! Thank you again for all your support! **"If we do not have accurate total by last possible deadline, donating sentence will be changed"**

- Thank you to all the volunteers who worked at the concession stand during the 2018 soccer season. Your help and time is greatly appreciated. Thank you to all the folks who donated items to supply the concession stand. Your donations help raise funds for Sports Boosters so that we can help our athletic programs as well as providing concessions for the crowds.
- Congratulation to Soccer player, Ashley Osborn and Cross Country runner, Jon Mokry for winning September's Sports Boosters Athlete of the Month. Ashley has played with a great attitude and has worked very hard. She carried the team offensively with injuries to several players around her. Jon works extremely hard in practice to improve his race times. He is always at practice with a positive attitude and can be found during meets cheering on and encouraging his teammates and competitors. Congratulation to you both! **"Insert photo here"**
- Another way to support the F-P Sports Boosters is to return your cans and bottles to Fabius Bottle & Can, tell them you want the money to go to F-P Sports Boosters.
